Many cases of "Grippe" have lately been cured by One Minute Cough Cure. This prepared seems especially adapted to the cure of this disease. It acts quickly, thus preventing serious complications and bad effects in which this disease often leaves the patient.—Boschert & Williams.

Shaw.

Wednesday, May 12.—Dave Hoffman's dance last Saturday night is announced as the biggest thing up to date.

Shaw needs a town hall.

Attendance at the Sunday School is

increasing.

There is some talk of organizing a string band.

Wheat prospect in this immediate vicinity is good.

A jug of fish bait arrived from Kansas City last Friday.

Some people are complaining of having their chickens stolen.

The proprietors of our stores say business is getting better.

There are not enough residences here to supply the demand.

The sub-divisions of Shaw are Wall Street, Arkansas and "In the Brush."

Charley Fanatia shipped a car load of hogs to Kansas City last Tuesday.

Stephen Welton, of Iowa, was looking up the wheat prospect in this section last Saturday.

The clarion notes of the patient Jack resound from all quarters of the burg except one.

Several of our citizens are improving the appearance of their premises by a general cleaning up and burning of rubbish.

Ed John, our accomodating station agent, is making a specialty of raising thoroughbred chickens. Lanshans and Leghorns seem to be his favorites.

Delos Johnson, one of the substantial citizens of Neosho County, made one of his semi-occasional trips to Shaw last Sunday to attend services at the Christian church. An interview with him on the current topics of the day, both national and abroad, will well repay anyone in instruction and interest.

The biggest catch thus far this season was made last Friday by Allie Kimball. It consisted of a catfish which weighed twenty-five pounds. Ed John catches a good mess of drum fish every few days. Tom Woods caught the biggest eel of the season. Frogging is also indulged in by several with only limited success.

There is less growling and grumbling about hard times, stringency of the money market, railroad greed, etc. than ever before in the history of the burg; a natural consequence everywhere when all go to work and try to do something for their locality, county, state and nation. Unless something unforeseen occurs to cause a return to the old practice of whittling goods boxes, one-horse self-constituted statesmen and office seekers attempting to dictate the financial policy of the nation when they can't successfully manipulate their own, Shaw will go republican at the next election.

E. E. Turner of Compton, Mo., writes us that after suffering from piles for seventeen years, he completely cured them by using three boxes of DeWitt's Witch Hazel Salve. It cures eczema and severe skin diseases.—Boschert & Williams.

W. T. Dent and Miss Ella McKernan were married in Erie by Probate Judge Mills last Tuesday. Both are well known here and have many friends who would like to see them prosper.

Torturing, itching, scaly skin eruptions, burns and scalds are soothed at once and promptly healed by DeWitt's Witch Hazel Salve, the best known cure for piles.—Boschert & Williams.
